

**Title:** Little, Middle, and Big

**Grade:** PK-1

**Overview:** Little, Middle, and Big need help finding shoes. As students select different pairs of shoes, Little, Middle, and Big let them know how well the shoes fit.

---

### **My Learning Objectives:**

Identify relative size of objects

Compare the length of objects by making direct comparison with reference objects

Expand vocabulary of size words

---

### **DISCOVER MODE**

1. Click the red sneaker to enter Little, Middle, & Big from the Main Room.
2. Click a pair of shoes. A voice says the size; for example, "Small shoes."
3. Click a character. Little, Middle, or Big asks for shoes; for example, "I'm Little. I need shoes."
4. Click the shoes you want to try on: Little, Middle, or Big. Because this is the Discover Mode, you can put any shoes on any character. The characters' faces react to the shoes you choose. You are in charge!
5. If you want to mix up the shoes, click the cat. Try it just for fun. When you want the shoes sorted by size again, click the cat once more.
6. Click the framed picture for the Question and Answer Mode, or click Millie to return to the Main Room.

### **QUESTION AND ANSWER MODE**

1. Click the framed picture to enter the Question and Answer Mode. The spider introduces a character. Then Little, Middle, or Big asks you to find a pair of shoes; for example: "I'm Little. I need shoes."
2. Click a pair of shoes.
  - If the shoes fit, the character looks happy and thanks you!
  - If the shoes do not fit, the character tells you what the problem is. For example, "These are too big." Try again until you find some that are just right.
3. If you want a challenge, mix up the shoes by clicking the cat. When you want them sorted by size again, click the cat again.
4. Play as long as you want. After all the shoes are used, the cat meows, and the shelves fill with shoes.
5. Click the empty frame for the Discover Mode, or click Millie to return to the Main Room.
